WE ARE PASSIONATE ABOUT WHAT WE DO SINCE 1956

At **INORCA SEATING** we generate value through innovative products, at the right price, personalized, incorporating all the necessary technological resources, added to our experience, dedication, dynamism, responsibility and talent of our people.

We are leaders in the design and manufacture of furniture for a wide range of sectors, among which *Contract Furniture* stands out.

Our range of seats offers comfort, aesthetics, functionality, and durability. We support the needs of our clients, **always having their well-being and satisfaction as a goal.**

WORLD CLASS DESIGN

MANUFACTURING AND SERVICE

We are leaders in our country and in the American Continent, and we have presence in 25 countries, on 4 continents.

Three manufacturing facilities with more than 17,000 m² of productive area, strategically located to serve the national and international markets, give life to each one of our products.

INORCA SEATING

is CONTRACT SEATING

We have a wide portfolio of furniture that stand out for their quality, world-class design, comfort and versatility.

Our seats are manufactured under high quality standards, certified by ISO 9001 and BIFMA standards

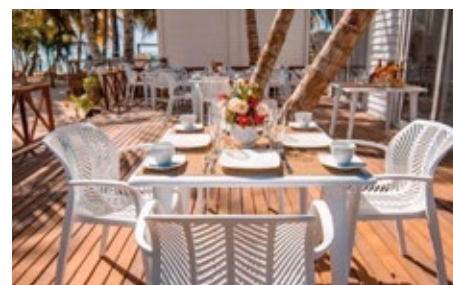

We are constantly working on innovation and development processes for new products and services.

WORLD CLASS DESIGN

We are at the vanguard. We bring to the market the state of the art in industrial processes and polymer injection technology to make tangible designs that combine slimness and strength.

The versatility and efficiency of our designs allows us to recreate any interior or exterior space, with the possibility of keeping the same product line, or generating contrasts to achieve truly differentiating spaces.

Colombian production with the highest technology levels and compliance with the international industry standards, to guarantee our business partners the acquisition of products that exceed the expected quality.
