

LIRA

auditorium seating

A RENEWED EXPERIENCE

LIRA model blends the best of traditional and contemporary design, with attractive shapes and comfortable padding volumes. It makes it a good option for performing arts center and education spaces.

The LIRA's characteristics will renovate your auditorium experience, not only because of its vanguardist design but because of its wonderful ergonomics, which will provide a nice sense of comfort to your customers.

The impressive aesthetics of LIRA also will play an important role, that is why this model can be set up with a wide range of accessories that will supply your needs while improving the global appearance.

LIRA

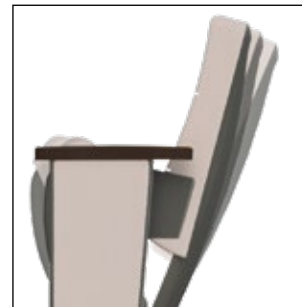

Impressive AESTHETICS

Two different shapes (T - Z) for the end row panel.

5 widths (19"-23" / 482 - 584mm) and 1 height (35" / 890mm). Our Freedom models feature no arms in center, only on end of aisle rows.

The backrest suits three-pitch positions at 15°, 18°, 21°. Seat suits at 90° for Space saving envelope, and 75° for standard position

Uprights can be mounted on sloped floors from 0 to 10 degrees

A tablet arm (two sizes available) provides an useful surface to write and can be stored out of the way.

ADA access guaranteed thanks to a flip-up arm

Plastic cover protects the anchor plate assembly and improves aesthetics.

Different options for the armcap, according to your needs.

Plastic injected back and seat cover.

A wide range of options (wooden, upholstered or, laminated) for end panels helps to grow up the set aesthetics.

Row markers in the end panels and numbering by seat.

An aisle light can be added to end panels for a better wayfinding.
